

Hello and Welcome to our August Newsletter. Thanks to those who came along to our Subscriber-only Sale Night in July - it's always great to see so many familiar faces. Our Elk Concept Store has been a huge hit and new stock will be arriving in the near future which is very exciting. We have some great clothing on our Sales Rack right now...those cute little cardies from **Elk** and shirts from **Queen of Everything** - be quick for those. Also check out the note at the end of the newsletter about the SALA Festival and our resident artist Catherine Leo whose photographic work will be in our front window. Enjoy the read and hope to see you again soon.

The 2011 SALA (SA Living Artists) Festival is on again, from 5-28 August. The event culminates in a street fair here on King William Road. Be sure to visit our window (and others along the street) during SALA to see the photographic works of Catherine Leo who captured local Adelaide shoemaker Eugenia Neave at work creating bespoke footwear. Catherine will be holding a stall out the front of the shop at SALA on Sale so be sure to stop by and say hello.
