

FLOURISH NEWS

ISSUE 69 FEBRUARY 2011

Hello and Welcome to our February newsletter. After all the Christmas updates we thought we'd give you a little break throughout January, so it's our first opportunity to also say Happy New Year. We have some specials to let you know about, as well as some new stock. Been busy along the street with the Tour Down Under, and finally some warm Summer weather so do pop in soon. Enjoy the read!

Nancybird Clearance

Now is a fantastic time to check out the many Nancybird bags on sale...perhaps one of your favourites has been marked down. Always fabulous quality and original designs that change each season.

...and Fashion on special too

There is still plenty of warm weather to enjoy what is left of our light cotton styles, a rack of beauties on sale for half price. Be quick!

Hill Tribe Silver Sale!

For a limited time we are clearing Hill Tribe Silver at a massive 50% off! The sale is making way for new stock so bag a bargain bracelet, ring or necklace now.

ELK LEATHER

We still have limited numbers of the beautiful Elk leather range. The wallet has been one of our best ever sellers and we have been able to secure just a bit more stock. Wallets are \$120 and check out the new Linen and Leather Tote (pictured left) for \$150.

Blackboard Coat Racks

A great vintage-look product to hang your hats, jackets and bags on, and use the blackboard to write lists and messages. \$199 each

Great Summer game KLOPP!

A fun, family game that a lot of us have been playing over Christmas. All ages and can be played on most surfaces, such as at the beach or on grass. You just need to be able to throw, and add up! *Just be warned, 3 year olds can toss pretty wildly, and the newsletter editor has just gotten over a recent KRI (Klopp Related Injury). Great fun at \$69.

SWISH JEWELLERY

New designs have just arrived in our 'Swish' Jewellery range. Very affordable with the pictured ring \$15, bracelet \$29 and the beads \$39.
