Cookbooks

We love our cookbook collection and always have it stocked with new titles, as well as old favourites. So many great options for Mother's Day. New instore is 'The CWA Cook Book 2' following on obviously from No.1 which was very popular.

Voluspa are (in our opinion!) the best candles on the market. Beautiful fragrances that aren't over-powering. Small tins \$22.95 and Large 3-Wick Tin \$39.95, pictured below.

We love the new Recycled Tin Ware in Flourish. Unique pieces made in Thailand, including Photo Frames, Bird Houses and Folding Stools! Priced from \$27.95

QUEEN OF EVERYTHING

You may have noticed our clothing range growing and we are now fully stocked with Queen of Everything's collection. Their shirts and cardigans proved incredibly popular last Winter and this season's looks are even better. We especially love their Pocket Dress (\$149) which comes in cotton, and silk, and the Victoria Shirt Dress (\$99.95) is very versatile. Change rooms are available.

New Jewellery

Always evolving and growing, our jewellery range now features pieces (pictured right) from the iconic Israeli craftsman, Ayala Bar. Each season a unique collection is created incorporating fabrics, beads, crystals and gemstones. Be early for the best choice.

And the popular Vivant bangles have been joined by necklets (see right) with long stainless steel chains. Each features poetry or an affirmation and they make a perfect gift for a Mum, priced at \$69.95.

Our Vintage Style Ottomans and Quilts (pictured left) have just arrived, made from recycled sarongs originating in Java. The fabric designs date back to the 1960s and were produced using vegetable dyes then sewn together in a patchwork design. All cushions are filled with Kapok, a sustainable natural fibre. Ottomans from \$8995 and Quilts from \$99.
